Marital Status

Married

Personal Statement

My background in the graphic arts and working in professional environments such as design agencies and news rooms has given me the confidence and temperament to provide a high standard of work and service under pressure. I hope to join a forward-thinking company where individuality and strength of graphic communication is essential in establishing a strong identity and exemplary client base.

Interests

Wintersports, particularly alpine skiing; currently a member of the British Cycling Federation and Eastbourne Rovers Cycling Club – I compete in races and charity events; foreign travel – recent destinations include Canada, the United States, Norway, Sweden, Italy, Germany and Morocco; foreign languages; Scandinavian cinema – particularly the work of Ingmar Bergman.
